

Remarks

Claims 1-31 are now pending in this application. Claims 30 and 31 have been added. Claims 1-5, 7, 9, 10, 16-18, 20-25, 27, and 29 have been amended to more particularly point out and distinctly claim the current invention by clarifying the claim language. Claims 6, 8, 11-13, 15, 19, 26, and 28 have been amended to more particularly point out and distinctly claim the current invention by removing improper multiple claim dependencies to place the application in a more acceptable form for examination.

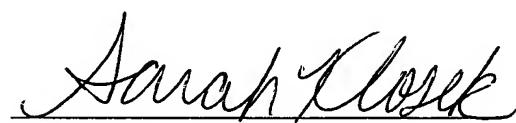

The amendments to the specification were made to include the priority information.

The U.S. Patent Office is hereby requested to examine the application based upon the substitute claims and the amended specification.

If the Examiner has any question or comments, he/she is respectfully requested to contact the undersigned attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

Date: December 19, 2005
